Our office will not prescribe narcotics to patients who continue to receive them from other prescribers, unless discussed in detail with and approved by our providers. If the patient continues to receive narcotics from multiple providers without approval from our providers, our providers will discontinue our narcotic prescriptions.

Patients who receive narcotic prescriptions from our office may be required to sign our Narcotic Prescription Contract.

Alta View Sports Medicine has implemented these precautions due to the increasing misuse of narcotics in the State of Utah and for patient safety.
